## **BIKE AND PEDESTRIAN WAY – PHASE I**

Crews have completed installing detection equipment in the roadway on West 54<sup>th</sup> Street. This detection equipment will recognize bike riders waiting in the designated bike lane and change the light accordingly at the France Avenue intersection.

Monday, crews will be striping the bike new lanes on Wooddale Avenue, Valley View Road, and West 54<sup>th</sup> Street. Crews will set up temporary no parking signs in these areas on Saturday. The signs will read “No Parking 7:00 am – 7:00 pm Monday thru Friday”. This will keep the roadway clear for striping crews to paint the new lines. Once the paint has dried, crews will remove the temporary no parking signs.

All roadways will be open to traffic during the work. Minor delays can be expected due to the nature of the work.

See our website for what to do in emergencies, non-emergencies, site safety or if you have special events or home improvement projects plan,

[http://www.edinamn.gov/index.php?section=construction\\_bike\\_pedestrian\\_way](http://www.edinamn.gov/index.php?section=construction_bike_pedestrian_way) .

Please encourage your neighbors to sign up for City Extra emails as this will be our primary method of communication during construction.

Sincerely,

Aaron Kuznia
